

INDEX

This index covers volume 35 of *Asimov's Science Fiction* magazine, January 2011 through December 2011. Entries are arranged alphabetically by author. When there is more than one entry for an author, listings are arranged alphabetically according to the story/article title. All entries are followed by a parenthetical note: (a) article; (c) cartoon; (ed) editorial; (na) novella; (nt) novelette; (p) poem; (r) review; (se) serial; and (ss) short story. Collaborations are listed under all authors and are cross-referenced. When a title, a parenthetical note, or an author's name is omitted, it is the same as that of the previous entry.
